

Hutchinson Manufacturing provides a unique opportunity to work with a wide array of industries including; Nuclear Power, The Defense Industry, Energy, Oil/Gas Industry and a number of other challenging industries that have been featured in Popular Mechanics, and the Discovery Channel.

We have a company with a strong reputation for tackling complex metal fabrication projects, and are looking to add a qualified **Fabrication Technician** to our team. This person will be responsible to perform basic setup and operation of conventional press brakes, laser and plasma cutters. While some experience is required, training will be available.

Essential Duties & Responsibilities:

- Read and interpret blueprints and follow written and verbal instructions
- Safely operate approved shop equipment such as overhead cranes, chains, slings and forklifts
- Keep production at a steady pace to meet delivery dates
- Operate assigned press brake, laser and/or plasma cutter
- Remove burrs, sharp edges, rust or scale from workpieces, as needed
- Observe machine operation to detect workpiece defects or machine malfunction
- Communicate effectively with co-workers and supervisors to maintain a safe and positive work environment
- Keep workstation and equipment in a clean and orderly manner
- Perform other related duties as required and assigned

Ideal candidates will have:

- Must have a minimum of a High School Diploma or GED.
- 2-4 years of experience, preferred.
- Ability to read and interpret blue prints, written instructions and processing.
- Knowledge of shop tools and equipment.
- Must have a basic understanding of manufacturing safety regulations and a willingness to follow established safety procedures.
- Ability to lift 50 lbs.
- Ability to work with limited supervision.
- Excellent communication skills and willingness to partner with co-workers and other departments.

Eligibility for benefits begins 1st of the month following date of hire, including:

- Medical, dental, vision, FSA, life and disability insurance
- 401(K) – with employer match
- Starting 80 Hours of paid time off, plus sick time.
- 9 paid holidays

Hutchinson Manufacturing also offers tuition assistance, tool and equipment reimbursement, a computer purchase/finance program and more!
